He had a toothache

A⁵

He started crying

C⁵

It sounded like an earthquake

A⁵

B⁵

I grabbed a rag doll

B^{b5}

Stuck some little pins in it

A⁵

Now we're a family

C⁵

And we're alright now

A⁵

We got money and a little place

C⁵

To fight now

A⁵

We don't know you

C⁵

And we don't owe you

B⁵

But if you see us around

B^{b5}

I got something else to show you

A⁵

We keep warm

C⁵

But there's just something wrong with ya

B⁵

B^{b5}

Just feel that you're the hardest little button to button

A⁵

C⁵

I had opinions that didn't matter

A⁵

C⁵

I had a brain that felt like pancake batter

A⁵

C⁵

I got a backyard with nothing in it

B⁵

Except a stick, a dog

B^{b5}

And a box with something in it
